

Support For General Motors Dealerships

Great news! General Motors is offering an incentive for all dealerships who installed, will have installed, or sign up for installation of UVeye equipment during Q1!

Dealerships can earn 1% of their monthly GM Parts purchases as a credit – up to \$1500 monthly for each dealership rooftop.

- For installation contracts signed, installations conducted, or UVeye scans generated in January, the Dealer is eligible for 8 months of promotional discount
- For installation contracts signed, installations conducted, or UVeye scans generated in February, the Dealer is eligible for 7 months of promotional discount
- For installation contracts signed, installations conducted, or UVeye scans generated in March through March 31, 2023, the Dealer is eligible for 6 months of promotional discount

**Promotional funds /discount payments will begin when Dealer generates its first UVeye scan*

Also, dealerships can utilize their iMR Parts funds toward UVeye monthly subscription costs with no limit to how much they may use from their iMR funds. To qualify, dealers must be using one of the three UVeye products (Helios, Artemis, or Atlas Lite) and proof of purchase such as an invoice must be provided.
